Assessor Comments

Outstanding quality draft of "Okeview" steers in which there is 330 in total to be sold as three even runs of 110 out the gate. These steers are only for sale due to season conditions and are usually kept onto heavier weights, a fantastic opportunity

to put a total of 460 ripping quality steers together in today's sale. The Okeview cattle have a tremendous name in the Hereford world and have always focused on buying top end genetics with very good feedback on the performance of their cattle in the past. Grass Fed and Antibiotic Free. There is another 132 heavier steers being offered in todays sale.
