Assessor Comments	A very even line of EU accredited Rennylea & Dunoon blood weaned steers. Aug/Sept 2024 drop. Steers show plenty of growth and frame for age and have done very well in one of the Upper Murrays toughest seasons. Weighed into a tight 40kg draft bracket, with a 50% tail removed at assessment, these steers present in genuine store condition and are ready to give out some compensatory gain if shown an opportunity. Cattle that have enjoyed support from repeat buyers. Grass fed eligible. Please note optional payment terms specified.
