Cattle handled extremely well through yards.

Handled With: Bikes , Dogs , Vehicles

Assessor Comments	100 Angus heifers Spring 23 to Autumn 24 drop,300 to 330 kg to ave 316kg at assessment. Surplus to requirement heifers from Willoway Farming. Heifers have done it tough in a very dry Autumn and Winter period but have turned the corner in Spring and look great. Cattle handled well in the yards and in crush while weighing. Of the heavier older heifers mouthed, 2 were found to be just breaking. Proven high growth and high IMF in finished carcasses. Teys Grasslands, TFI FA and Greenhams Never Ever accredited producer. 200 in todays sale.
