Assessor Comments	A top quality line of vendor bred Angus Cows PTIC in calf 3-5 months to Angus Stud Sire Milwillah S385. Cows are very well bred with Millah Murrah and Dance Angus Bloodlines. Cows temperament was very good and worked easily through the yards and crush. Cows show very good bone and type. Well grown. Note weight of cows only in good store condition. Only had calves weaned off them 6 weeks ago and are just starting to do after recent rains. Cows have potential to be very heavy cows when fat. Ideal cows to commence a breeding operation or calve out and fatten and split. Weaners off these cows have consistently sold very well. Note vendor has another lot this sale.
