	Quiet: 31 head	Quiet: 31 head	Quiet: 31 head
	Cattle are handled by experienced stock women. They carry a excellent temperament and this was evident throughout the assessment.		
Handled With	Bikes , Horses , Vehicles		
Assessor Comments	Top quality line of NSM Angus cows and calves. 2.5 years of age with their 1st calf at foot. Cows are well grown and come from a genetically very well bred herd. Heifers show very good frame and milking well for their first calf. They are large frame types and will continue to mature that way if given the right opportunities. Heifers carry a sound temperament and come recommended. Please view video to fully appreciate these young females.		
Assessor	Cam Rosser (Level 1 Accredited) Phone: 0429 218 962
