Assessor Comments	A nice line of young Angus cows on their second calf. They are good large frame cows doing a good job of the calves in a very tight season in the Riverina. The calves are by excellent quality Dunoon Angus bulls and will continue to excel given the chance. These cows are only offered for sale as they are out of sync with the main herd. They are not rejoined giving the purchaser an excellent opportunity to join to the bull of your choice in the coming months and add to an Autumn calving program.
