Only being sold now due to ongoing dingo problems. Normally fattened for lamb trade. Lambs would benefit from shearing to ensure optimum growth. Originally based on Karbullah Blood but has been using Bullamon Plains Rams for last 6 years. Bred from a classed flock of large frame, plain bodied ewes. Ideal lambs to shear and fatten for lamb trade or keep as future woolgrowers. Last shearing Grown ewes average 19.2 micron and lambs average 17.8 micron. Note Ewes Lambs same sale.
