| Assessor Comments      | Lead draft of shorn merino wether lambs. Lambs are by Bundilla rams. Currently being trail fed barley and lupins. All lambs individually weighed 25kg plus at assessment. If given the opportunity, lambs will reach trade to export weights. Good clean young lambs.                                                                                                                        |            |      |         |
