| Assessor Comments            | A good opportunity to purchase a neat line of future breeding ewe lambs. These large frame mid north ewes are a perfect line to hold as breeders or sell off in the spring. Vendor has been purchasing Gumhill rams for 15 + years. These young ewes have a huge rebate on their back and will power on shown the right feed requirements. Only due to seasonal conditions there is dust penetration in the wool. |     |                |     |               |     |
