Assessor Comments	Buyers, Here is a top line of well bred Angus cows and calves. Cows have great frame with plenty of volume, thickness and depth of flank. Cows stand on good bone showing nice bred characteristics with muscle and softness. This line of cows were purchased as replacement breeders in 2022 from top quality southern genetics. Cows have been preg tested every year with PTE sold. These cows are ready to join to the bull of your choice. Cows are doing a fantastic job on there sappy Clunie range calves. Cows were great to handle through yards. Note 5 cows had old blue eye scarring, odd cow has white on udder.
