Assessor Comments	16x16 Heifers and calves. These young females present an opportunity to secure some young females with their first calf at foot. These young females are doing a good job on their first calf and are ready for someone to take home and join to the bull of Their choice. These heifers were purchased as yearlings to to a trade with but were in calf when purchased the vendor has calved them out but does not know the sire of these calves. Please note that to continue with assessment entry a bull breed had to be entered this is why Angus bull was entered.
