Assessor Comments	Buyers cast your eyes over these 48 PTIC Angus Heifers, in calf to low birth weight Angus bulls, Paratrooper and Rocketman sons. Vendor bred average 465kgs on delivery, 25 of these heifers are by Brooklana bulls and 23 heifers are by Franklin and Booramooka bulls. Heifers are well bred and great to handle with bikes or on foot and process through the yards. Vendor would normally keep heifers, but with a great pregnancy rate with cows, heifers are surplus to needs. Great opportunity to purchase 1 line, 1 mark Angus heifers.
