Assessor Comments	A nice line of XB PTIC Cows. Cows originally purchased from Longreach in June 2020 as Heifers with Calves at foot and have consistently raised calves every year since. Mostly branded 8's and 9's with very small portion a 6. Joined up for 9 weeks to Bongongo Angus bulls for a Late July- Sept calving. Cows are often thrown black coated calves. Cows with a very good frame and length to them. Cows that would make a good split after calving with a decent weight to them. Vendor has a line of Angus X Santa young cows and Angus Cows in same sale!
