Assessor Comments	A small mob of young Angus / Santa cross heifers coming up to their second calf. Purchased ex the Quambone district last year as PTIC heifers, they all raised a great calf through to weaning. Now rejoined and pregnancy tested to the Karoo Angus sire they are being moved on purely due to a change in business direction. Great young females to handle they have plenty of scope and style, with an excellent temperament. Wont disappoint worthy of a close look.
