Assessor Comments	71 Angus Heifers 18/20 months old. PTIC in calf to Scotts LBW Angus bulls. Bulls went in on the 23 September. Heifers ave 453 kg and ranged from 390 kg to 518 kg. Would describe heifers as well bred , well grown in strong store condition.. Heifers present as an even line with a tail removed. Temperament very good as these cattle have been on the stock route for an extended period. Heifers in excellent calving condition and vendor has not had any problems calving with these bulls the last few years over heifers. 9 lots in this sale. 1 mark vendor bred. Realistic reserve , please ring with any questions.
