Assessor Comments: Brookside offers an outstanding line of 15 Angus cows and calves. These large frame cows are only 2-3yr old in the prime of their life. They are by Tabletop bulls and 4 are AI bred. The calves are Feb/March drop by Sprys Angus bulls and marked, vaccinated and Management tagged. These are outstanding units that present extremely well and were very good to handle. They have had all their health treatments. These young cows are 650 kg av now and will grow into 700-800 kg cows. Please note vendor has another lot of 26 cows and calves also in sale. These cows are only being sold due to property sale.
