	Good run of cows to handle
Handled With	Bikes , Vehicles
Assessor Comments	Good quality run of 4 yo cows coming up to have their 3rd calf and are due to calve in the 3rd week of July for 10 weeks. Cows are in good forward condition and generally speaking are good medium-large frame cows. All the hard work has been done here, and these cows present a great opportunity to purchase a large run of cows right in the prime of their lives.
