Assessor Comments	A rare opportunity to purchases these classed in females straight from the heart of The Glen Angus commercial Autumn program. These cows are only being offered due to the tough season in the Upper Murray otherwise would be retained within the herd. They are large framed deep body The Glen blood cows that present in forward store condition with fresh calves at foot. They would be ideal to take home and join to a bull of choice and would be an asset to any breeding program. Buy with confidence. Please note vendor has a another lot of heifers & calves in this sale.
