Any Access To Bulls or Stags?	To vendor's best knowledge, this lot has had no access to bulls or stags.
Temperament	Yards: Quiet: 19 head Crush: Quiet: 18 head, Slightly Stirry: 1 head Paddock: Quiet: 19 head We found these cattle to be exceptionally quiet. The Vendors have spent plenty of time with them and they were easy to draft, weigh and mother up. The Videos were taken in one take, the Cows happy to walk past and exit the yards slowly and calmly.

Assessor Comments	A handy line of 1st Cross Cows and Calves. The Cows are beautiful to handle and the Calves full of milk. Plenty of shape and weight forming. This draft of Cows are good, moderate to medium cows who appear to be milking the house down. The two bulls who are Pictured are true French types with enormous muscle and shape, and were very very quiet to walk around and photograph.
