Vendor Comments	After recently selling our farm, we sadly need to part with these well-bred and beautifully natured cows. All cows were joined to quality Sharoy Park Limousin bulls, resulting in sappy 3-4 month calves that will grow out into quality Vealers.		
Joining Details	Not Station Mated		
Any Access To Bulls or Stags?	To vendor's best knowledge, this lot has had no access to bulls or stags.		
Temperament	Yards	Crush	Paddock
	Quiet: 12 head	Quiet: 11 head Slightly Stirry: 1 head	Quiet: 12 head
	We found these cattle to be exceptionally quiet. The Vendors have spent plenty of time with them and they were easy to draft, weigh and mother up. The Videos were taken in one take, the Cows happy to walk past and exit the yards slowly and calmly.		
Handled With	Bikes , On foot		
Assessor Comments	A neat group of young F1 Cows with their whole lives ahead of them. Lovely to handle and very well presented by the Vendors. Purchased to spend their life in the breeders Vealer operation, but with the farm being sold, they're being presented to the market as young outfits for someone else to take on.
