Were very good through the race and crush.<br>Bikes , Dogs , Vehicles                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                           |                                     |
| Assessor Comments      | McCorkell P/Co are offering a nice line of Mixed Age EU Angus Cows Rising 4 to 7 Years (see age breakup for numbers of each) Pure Te Mania Blood and PTIC to the Te Mania Bull to Calve Mid August to Mid September this year. The Cows are in ideal calving condition and are only being sold due to seasonal conditions. McCorkell P/Co joining program is 8 weeks and the Cows being offered are in the last 4 weeks of that joining and in a normal season would be retained so they are genuine Breeders Cattle. They have been on Te Mania Bloodlines for a number of years now with no other bloodlines introduced. These are genuine Breeders Cattle that you can buy with confidence. Please note that McCorkell P/Co have another 2 lines of PTIC Females in this sale totalling 53 Head. |                                           |                                     |
