	These cows have been well handled and educated. They handled well through the yards at assessment without any trouble at all.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	This is an excellent opportunity to secure a nice lot of extremely well-bred EU accredited cows bred out of the Hassell Trading Trust herd. They are excellent mothers of very large frame, they are all very sound with many years ahead of them. They are PTIC for the last cycle of the joining period and should calve from early to mid September to top quality Nampara Bulls.
