Great cattle to handle and easy to work. Good quite nature about the cows.

Assessor Comments	These cows form part of a flock reduction due to the season, and would not have been for sale otherwise. They have formed an important part of Binnowie's Angus stud and create a great opportunity to purchase quality bred cows. These females are in great order, showing plenty of shape, depth and capacity along with a great nature. They handled very well and would be a great addition to any operation. Feel free to get in contact for additional cow breeding values and data, or any further questions.
