Excellent group of weaned steers that have been well handled through the yards, draft, crush and scales. They showed no signs of aggression at all while being drafted, weighed, and assessed, a very calm and sensible mob to handle.

Handled With Aerial (Helicopters, gyro's and planes) , Bikes , Vehicles

Assessor Comments A good line of 1 brand weaned steers, these steers have a very good reputation for performance being bred in lighter spinifex type country, so expect to see excellent weight gains on better feed. Buyers can purchase these steers with complete confidence that they will do very well for them going forward. The vendor will deliver this mob to either Barcaldine, Jericho or Longreach Yards. PLEASE NOTE THE SISTERS TO THESE STEERS ARE BEING OFFERED IN THIS SALE AS WELL.
