Assessor Comments Offering a line of 144 Santa Gertrudis cross No. 4 steers (4 Decks). These vendor-bred steers are by very good GreenUp and Gyranda Santa bulls, presenting an excellent opportunity for potential feeders or heavy bullocks. They are all Milk teeth, HGP FREE. A strong start to the 2024 season, supported by good rainfall, has allowed these steers to power ahead since weaning. The season has allowed proper weaning, resulting in a well-grown, even line. Since weaning, the steers have been running with the heifers and are now separated. **The vendor is also offering a line of the heifers and another draft of heavier heifers in this same sale. Please take note of the delivery date, due to management and agent commitments (This can be managed but PRIOR CONTACT MUST BE MADE).
