Assessor Comments	A very good line of 104 Santa Gertrudis cross heifers (four decks) is on offer, vendor-bred by quality GreenUp and Gyranda Santa bulls. Additionally, 15 heifers in the draft were bred on a southern property by Te Mania purebred Angus bulls. Of the 30 head mouthed at assessment, only one was found to have two teeth, with the potential for future breeders or feeder markets. These heifers were originally to be retained as breeders, but a change in program direction has now made them available in this sale. This represents a genuine opportunity to secure a well-bred and well-grown line of young females. The vendor is also offering a draft of No. 4 steers and an additional line of heifers in this same sale. Please take note of the delivery date, due to management and agent commitments (This can be managed but PRIOR CONTACT MUST BE MADE).
