Assessor Comments	Offering a line of 130 Santa Gertrudis cross No. 4 heifers, making up four decks. These vendor-bred heifers are by very good GreenUp and Gyranda Santa bulls, presenting an excellent opportunity for buyers seeking future breeders or feeders. A strong start to the 2024 season, supported by good rainfall, has allowed these heifers to power ahead since weaning. The season has allowed proper weaning, resulting in a well-grown, even line. Since weaning, the heifers have been running with the steers and are now separated, with one stag removed at assessment. **The vendor is also offering a line of steers and another draft of heifers in this same sale. Please take note of the delivery date, due to management and agent commitments (This can be managed but PRIOR CONTACT MUST BE MADE).
