Assessor Comments	Here presents a nice line of Wagyu x Angus F1 Steers. These Steers present in forward store condition and given the right opportunity would perform extremely well for the successful purchaser. These Steers are out of well bred Angus females consisting of 5 Star, Dulverton, Dunoon, Ardrossan and Mackas Angus bloodlines selected for high IMF and are sired by Trentbridge, Woodlands, Lotus and Doorkey Wagyu bulls, EBVs listed in documents and photos. There is carcass data available upon request on a portion of these Steers siblings. These Steers are very well bred and would suit any F1 program. Buyers please note one Steer had old pinkeye scarring but doesn't affect his sight in anyway. Buyers, please also note vendor has sisters of these Steers in same sale. Buy with confidence.
