Assessor Comments	Buyers this is a great opportunity to secure a line of well bred Angus Steers. Steers are all very well weaned and handled and present in good store condition. These Steers are very well bred, well balanced and are a very even and consistent line of Steers drafted from 230 - 298kgs. The vendor has been based on Glen Avon blood for a number of years buying their Bulls looking for good growth and high EMA figures paying from $15,000-$25,000. Please note same vendor same sale has two other lots of the bigger brothers to these Steers.
