These heifers were very good to handle in all parts of yards, a lot of time has been spent with the weaning and handling of these heifers.

Handled With Bikes , Dogs , Horses

Notable Traits Traits
1 Head Blue spot in off side eye

Assessor Comments Buyers here is an opportunity to purchase a line of good quality quiet weaned heifers. These heifers are in forward store condition and would suit backgrounders looking for heifers to put away and grow out to heavier export weights or would suit a breeder looking for good quality females. A great line of good quality weaned heifers not to be missed.
