Assessor Comments	A well-bred line of 7 month old Angus steers sired by Palgrove and Advanced Angus bulls. They are extremely quiet, bunk trained, very well handled and even in weight range. They present in healthy forward store condition and have been running on native pasture and will be returned to the same until time of delivery. These steers have the attributes to make great backgrounders to go onto crop or grain.		
Assessor	Matthew Grayson (Level 1 Accredited) Phone: 0419 686 540
