Assessor Comments	Quality line of Angus & Angus X Heifers. Presenting in good store to forward condition, these heifers are just hitting their straps and given the opportunity will bounce away on feed Observed approx 1 heifer with old pink eye scar. Angus heifers have yellow management tags & Angus-Angus/Santa X have white tags. Herd is transitioning from a Santa base to Angus introducing Kidman & Moogenilla Angus sires over the past 7 years. Weaners are good to handle presenting an excellent opportunity to secure a good line of a/c the breeder heifers to for replacement future breeders or target trade or export markets.
