Assessor Comments	Buyers a nice line of Angus, Angus X & Shorthorn X weaner heifers, these heifers present well and would be suitable for a full range of markets they can be taken through from feedlot entry weights to grassfed MSA processing weights. Alternatively they would make suitable replacement heifers. They are sired by a Quality Wakefield Angus Bull and vendor bred stud Shorthorn bull. Please note vendor has a line of Angus & Angus X steers and Shorthorn X steers in the same sale.
