Temperament	Yards		Crush Paddock
	Docile: 14 head		Docile: 10 head
	Quiet: 35 head		Quiet: 33 head
	Slightly Stirry: 2 head		Slightly Stirry: 8 head
	Well educated young cows that require normal sensible handling and steadying through gates. 4 cows were quick to exit the scales however settle well in the mob and show no excessive aggression at all - and were well settled back with calves. The calves are also noticeably quiet and calm. They were very easy to walk around in the yards, race and crush and well mannered at all times needing pushing out of the way when boxed with calves for photos.		
Handled With	Bikes , Vehicles		
Notable Traits	Traits 5 Head Light fly rub/marks		
Assessor Comments	Good quality Droughtmaster, D/M cross & Santa young cows #1's & #2's with good quality calves at foot and continually running with the same Charolais, Angus & Red Angus bulls. Approx half of the calves branded in December and the other half unbranded. Steers - 140kg & males - 130kg, Heifers - 181kg & unbranded 129kg to av overall 145kg. An estimated 14 calves weanable with 12 calves under 100kg the balance over. The cows are medium to medium plus / larger frame relative to the age.
