Assessor Comments	A nice line of Ultrablack cows with ultrablack calves at foot which have also been running with a Nindooibah Ultra Black bull. Cows have been an asset and extremely reliable to the vendors breeding program. All cows are very quiet even when being singled out away from eachother and their calves to be assessed , this can be seen as the vendor always being known in the area for well-handled weaners. Some of these cows are ex Nindooibah Stud cows. Vendor has pre treated to help with movement into clean country Please note the vendor has some cows that have been joined to an ultra black bull in the sale as well.
