Assessor Comments	A well bred line of weaned 7-8 months old Angus heifers sired by Palgrove and Advance Angus bulls. They are extremely quiet, bunk trained, very well handled and very even in weight range. Present in healthy forward store condition and have been running on native pasture and will be returned to same until time of delivery. These heifers have all the attributes to make great future breeders or backgrounders to go onto crop or grain. Please note- 1 heifer has slight blight scarring
