Assessor Comments	A very good quality line of 60 vendor bred Angus x Angus weaner steers that are showing very good weight for age , softness, thickness and all the true characteristics of well-bred Angus cattle that will grow on to suit the market of your choice. These weaner steers weighed 270kg to 360kg to average 304.5kg 16 hours off feed. Our vendors pride themselves on investing in the best genetics and producing quality cattle that are a pleasure to handle and that will perform going forward. These cattle have the agents highest recommendation.
