Assessor Comments	A very good quality line of 53 vendor bred Angus x Angus weaner heifers that are showing very good weight for age , softness, thickness and all the true characteristics of well-bred Angus cattle that will grow on to be exceptional breeders or suit another market of your choice. These weaner heifers weighed 249kg to 342kg to average 289.5kg 16 hours off feed. Our vendors pride themselves on investing in the best genetics and producing quality cattle that are a pleasure to handle and that will perform going forward. These cattle have the agents highest recommendation.
