Handled With	Bikes , Horses
Assessor Comments	A good line of Angus and Angus x steers by the Talooby Angus bulls. These steers are 17 to 18 months of age and averaged 367.3kg at assessment 3 hours off feed. They have been running on summer grasses but due to drying conditions vendor has decided to move them on. Good framed str in strong store condition that have plenty of room to put on some quick weight given the right nutrition.
