Assessor Comments

EU ANGUS & ANGUS X STEERS An excellent quality line of EU Angus & Black Baldy Strs (2 decks). Avg 319kg at assessment; individually weighed 290 - 346kg. Steers are by top quality Kidman Angus Bulls & are showing plenty of bone

& scope. Steers have been weaned since March & are just starting to power ahead. The Radford steers have great performance history & are sought after by main EU Feedlots each year. Carrying my highest recommendation! (Note: very odd steer with an old blue eye scarring; not considered detrimental at all)
