Assessor Comments	A fantastic opportunity to purchase quality young steers that are packed full of high-end genetics. Sired by the highly sort after JAD and Minnamurra stud Speckle Park bulls and out of quality Angus cows. Steers are medium frame, deep bodied and show all the positive attributes of well-bred Speckle Park cattle. Ideal article to add to existing Speckle operation or to enter this exciting breed. Steers that are equally suited for the feedlot or to grow out to kill weights with Speckles starting to gain recognition for dressing percentages, feed conversion and eating quality. Vendor also has 22 pure bred steers and 30 F1 heifers in same sale.
