Assessor Comments	A great opportunity to purchase quality angus steers with EU Accreditation. Beautifully weaned calves. Bursting to go forward, given the right feed. Top bloodlines. All the hard work is done. Vendor set them up for life, intending to grow them out. Genuinely quiet cattle to handle. These 2 assessments gives a purchaser an opportunity to put a road train of steers together from Dubbo if required. Please note same vendor with cows and heifers this sale.
