Assessor Comments	An excellent quality line of Vendor bred Angus Steers. These Steers are out of the renowned Twynam Angus Cow herd by the high indexing Moogenilla and Te Mania Angus Bulls. Steers have had all the hard work done to them and are ready to jump out of their skin with feed. Steers have been weaned and have had a complete animal health treatment program. Steers normally retained and grown out to heavy feeder weights with huge success at both Teys and Rangers Valley. Steers only being offered due to dry seasonal conditions. Buyers please note the same vendor will offer another 60 Steers of the same weight to be sold as a run out the gate.
