Assessor Comments	A nice line of Ultrablack cows which have been running with a Nindooinbah Ultra Black bull. Cows have been an asset and extreamly reliable to the vendors breeding program. All cows are very quiet even when being singled out and assessed and this has shown year in year out with the vendor always being known in the area for well handled weaners. Some of these cows are ex Nindooinbah Stud cows. Vendor has pre treated to help with any buyers in clean country. Please note the vendor has some cows and calves in the sale as well
