Assessor Comments	Buyers a nice line of Angus Cows and Calves. These cows were predominantly purchased from Timor Station as one line of first calf heifers. 5 head were purchased out of Inverell saleyards as Cows and calves with the cows being older Cows. These Cows are doing a good job on their Calves and given the opportunity and feed will freshen up and continue to produce quality Calves. Cows have been running with Angus Bull continuously. Please note 2 Cows were noticed at assessment having old scarring in eyes although not detrimental. A sample of Cows were mouthed at assessment with 1 Cow missing one tooth.
