Assessor Comments	17 x 17 Angus Cows and Calves which have been running back with a Broadwater Angus Bull. Cows have been running on lighter timbered country and present in store condition and should do well for potential buyers, some calves are ready to wean. Cows were good to handle at assmnt with only a few stirring in crush but settling immediately after. A great opportunity to purchase some young breeders that are just surplus to needs **Please Note** 1 cow had blight scarring and 3 calves
