	Excellent cattle to handle in the yards and the paddock.		
Handled With	Bikes , Dogs , On foot , Vehicles		

Assessor Comments	A great opportunity to purchase quality angus heifers scanned in calf. These heifers are EU accredited. They are a pleasure to handle and work with due to their quiet nature. I believe these are front paddock cattle, they will make excellent breeders for many years. An ideal way to get into quality angus genetics. Please note same vendor with cows and heifers this sale.
