These females are 100% usually retained within the herd however only selling due to ongoing dry seasonal conditions. Mintor Beef are a very highly reputable Angus Herd and are so by continuing to purchase high indexing, Table Top Angus sires, targeting Bulls with strong maternal traits, top 400&600DW & +3IMF figures being the key focus, often securing the top sale bulls annually. Fertility has been paramount throughout there breeding program for many years now as you'll see there is only a 2 week joining on these females, calving 10th August for 2 weeks, all naturally joined too LBW Table Top Angus bulls and all identified with management tags.
