Assessor Comments	Annual Draft of EU Accredited noted breeders off Kensal Green with a proven track record to produce progeny that perform in both grass and feedlot environments as past buyers will strongly attest to. This lot comprises the heavier end off the scales of the Broken Baldy/Black Baldy portion of the offering and comprise 25 rising 5 years and 12 rising 6 years in the prime of their breeding life. Cows are based on Ardrossan, Twynam and Injemira bloodlines and joined to Ardrossan Angus sires to commence calving mid July. Cows are principally large framed breeders presenting in fresh store to forward store condition coming out of a tough season in the south and as a mob displayed excellent manners throughout the assessment process. Note photos and videos are of total group of 77 Baldy cows being offered. Billabong Beef are offering a total 120 proven breeders over 3 lots in this sale.
