Assessor Comments	Young 4 year old cows coming up to their third calf presenting with plenty of frame in generally fresh store condition. Originally purchased as replacement breeders from noted breeders Hicks Gundowring and Ingomar Herefords Mansfield, unfortunately the season dictates these breeders in the prime of their life must go. PTIC to Ravensdale Poll Hereford bull to commence calving end July (Joined 17/10 - 17/12). Cows are quiet and displayed excellent manners throughout the assessment process. Excellent trading opportunity to calve down, fatten the cow and split later on. Note vendor has another lot of 17 PTIC heifers also in this sale.
